PRINCIPLES

(Source: LWVUS, www.lwv.org , *Impact on Issues*)

The League of Women Voters believes...

...in representative government and in the individual liberties established in the Constitution of the United States.

... that democratic government depends upon informed and active participation in government and requires that governmental bodies protect the citizen's right to know by giving adequate notice of proposed actions, holding open meetings and making public records accessible.

...that every citizen should be protected in the right to vote; that every person should have access to free public education that provides equal opportunity for all; and that no person or group should suffer legal, economic or administrative discrimination.

...that efficient and economical government requires competent personnel, the clear assignment of responsibility, adequate financing, and coordination among the different agencies and levels of government.

...that responsible government should be responsive to the will of the people; that government should maintain an equitable and flexible system of taxation, promote the conservation and development of natural resources in the public interest, share in the solution of economic and social problems that affect the general welfare, promote a sound economy and adopt domestic policies that facilitate the solution of international problems.

...that cooperation with other nations is essential in the search for solutions to world problems and that development of international organization and international law is imperative in the promotion of world peace.

FACTS ABOUT THE LEAGUE

HISTORY: The League of Women Voters (LWV) came into being in 1920, the year suffrage was written into the U.S. Constitution. Carrie Chapman Catt was the founder. The League grew out of the National Woman Suffrage Association, which spear-headed the 72-year drive to get the vote for women. As its first task, the League sought to help the 20 million newly enfranchised women to carry out their new voting and civic participation responsibility.

**LEAGUE OF WOMEN VOTERS OF TOMPKINS COUNTY
MEMBERSHIP BOOKLET**

www.lwvtompkins.org

ORGANIZATION: The League functions on three levels - national, state, and local. There is one National League in Washington, D.C., state Leagues in each state, and numerous local Leagues.

MEMBERSHIP: Membership in the League of Women Voters is open to women and men who supports the purpose and principles of the League of Women Voters. Joining the League at any level automatically confers membership at every level - local, state, and national. Membership provides the opportunity to be actively involved in local, state, and national issues. Membership categories include voting, associate (non-voting), and honorary life membership.

Membership Categories:

- * Voting Members: League members who are U.S. citizens and at least 18 years old
- * Household Members: two or more members living at the same address
- * Associate Members: non-voting members (e.g. under 18 years of age or non-citizens)
- * Honorary Life Members: persons who have been members for 50 years or more; they are excused from dues payment and their Leagues pay no per member payment (PMP)

Levels of support and involvement are an individual choice and may include:

- * financial support - membership dues and/or contributions
- * attendance at meetings, forums, and events
- * participation in programs at the federal, state or local level
- * service on the board of directors as an officer or director
- * sharing talents or expertise, joining a committee, or helping with one-time tasks

WHAT DOES THE LEAGUE DO?

Education:

Nonpartisan Citizen Education and Voter Services (e.g. candidate forums and voter registration, “get out the vote” community activities, voters’ guides with impartial, factual information about voting)

Action & Advocacy on Issues and League Public Policy Positions:

Action includes lobbying, writing letters to public officials, testifying at public hearings, litigating to clarify laws in the public interest, working in coalitions, monitoring elections and other government activities, writing publications and press releases, holding press conferences, and disseminating information to the public.

FINANCES: The League is a not-for-profit, but not a tax-exempt organization, due to its lobbying activities. Every local League adopts a budget, which includes support for the State and National League, the per member payment (PMP). The League gets its funding from membership dues and contributions, which are not tax-deductible.

Fiscal Year: The fiscal year runs from July 1 to June 30.

Tax-Deductible Contributions: Tax-exempt organizations with 501(c)3 status:

LWVUS Education Fund (LWVEF): receives tax-exempt contributions from foundations, corporations, and individuals that are used for education projects and programs. The funds are **not** used for lobbying or to support legislation.

LWVNYS Education Foundation: (NYS counterpart to the LWVEF)

Community Foundation of Tompkins County (CF) – “LWVTC Education Fund”: (local) Tax-deductible contributions can be made by writing a separate check payable to the Community Foundation of Tompkins County, and writing “LWV Education Fund” in the MEMO.

VOTER SERVICE

Voter Service refers to year-round activity to help citizens be politically effective and to encourage their participation in the political process. Registering voters and presenting factual, nonpartisan information on candidates, voting procedure, and ballot propositions are basic voter service activities.

PROGRAM: The program of the League is determined by its members and consists of national, state, and local governmental issues, chosen by consensus for study, and action. Consensus is the basis of all League positions, which in turn are used as a platform for lobbying the government, on the local, state and national levels. **Impact on Issues** provides the official statements of League public policy positions for each program area. Go to the LWVUS web site, www.lwv.org to view or print. The League of Women Voters of New York State (LWVNYS), like the LWVUS, reviews its program every two years, at its convention.
